ADVOCATE

Needham, Mass.

S JUNE, 1976

For every ending
Is just a beginning, you know.
And a goodbye
Is just a hello.
With everything changing,
Somewhere there still remains
A hope you can cling to,
Someone who needs you —
Everyday

"We've only just begun to live,
White lace and promises,
A kiss for luck and we're on our way,
We've only just begun
Before the rising sun, we fly
So many roads to choose,
We start out walking and learn to run —

And yes we've just begun
Sharing horizons that are new to us
Watching the signs along the way,
Talking it over just the two of us
Working together day to day — together.
And when the evening comes, we smile.
So much of life ahead,
We'll find a place where there's room to grow —
And yes we've just begun."
— The Carpenters

Will I make it through the summer, Breaking ties with old and new; Losing one just gains another, There is nothing I can do.

"So it's one more round for experience And I'm on the road again."

Now this is not the end. It is not even the beginning of the end. But it is, perhaps, the end of the beginning.

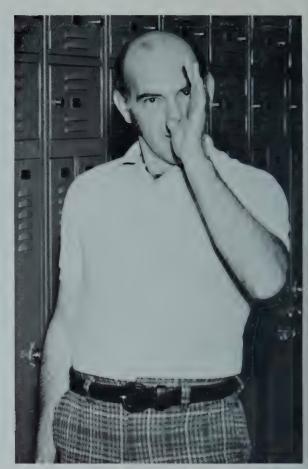

The world moves on, but now and again a memory of yesterday brightens today like a brilliant rainbow.

Friendship is the shadow of the evening, which strengthens with the setting sun of Life.

I have to say, my friends, this road goes a long, long way, and if we're going to find the end we're going need a helping hand.

Don't bend with the wind, Love must not end, but begin.

Time to make a change, Time to rearrange, Sooner or later Something you've got to do.

But all is changed with time, The future none can see, The road we leave behind, Ahead lies mystery.

Carry the Torch...

200 years ago, a group of Colonials dedicated to the cause of freedom and the dignity of men, chose to change the world in which they lived.

They called themselves Americans, declared independence from England, and sparked a revolution.

And you, the Class of '76, are a part of that heritage.

With graduation comes added responsibilities and with those responsibilities comes the challenge of carrying the torch ignited years ago by the first citizens of the United States of America.

For all her imperfections, America remains the greatest country in the world.

In this Bi-centennial year, re-affirm that 200year old commitment to the rights of man and strive to insure that succeeding generations of Americans will enjoy the freedom that two centuries ago was just a dream.
